

Heuristic Evaluation Report

Group evaluated: 02 - StepUp

Evaluated by group: 01

Problem #	Issue (include screenshot)	Heuristic(s)	Severity (1-4)
1	<p>Icons in the footer are too big. Sometimes confusing to tell which one redirects to and where we are right now</p> 	1, 6, 8	3
2	<p>You can't go back if you enter the "book a class"</p>  <p>part</p>	3, 9	2
3	The overall design is not that clean	8	1

4	<p>When booking a class, there is information missing like the location</p> 	1, 10	2
5	<p>In the chat, there should be information about the user (last time logged in, is online, is typing...)</p> 	1	1
6	<p>The news filter and the filter button should be together and somehow tell the user if the filter is open or not (with \wedge and \vee)</p>	1, 8	1

			
7	<p>The news font summary is a little small</p> 	8	1
